Important Information

Fall 2022 tuition and fees and authorized financial aid have been assessed. Please refer to the "New Total Balance" as this is what you will owe for fall quarter. If you have a negative balance, you have a credit on your account and do not owe anything. If you have an Amount Due, you must pay that amount by the Fee Payment Deadline, September 15, 2022 to avoid being dropped from your Fall Quarter Classes. Please note for Financial Aid to fully disburse to your account on September 11, you must be enrolled in a minimum of 12 units (waitlisted units do not count). For UG students, systemwide tuition and student services fees as well as campus based fees will now be itemized. Systemwide tuition and student services fees are part of the UC Tuition Stability Plan (TSP) and will remain flat for each incoming cohort for up to six years. Visit bit.ly/uctsp for more information on the TSP. For Graduate Students ONLY, your Final Fee Payment Deadline is November 10, 2022. Any Graduate Student with a balance after November 10, 2022 will be canceled from their future term. All registered classes for the future term will be dropped for non-payment and a late registration fee will be assessed.
