Important Information

Spring 2022 tuition and fees have been assessed, and all authorized financial aid for the term should be credited to your UC Davis account. This appears as Estimated Aid on your statement and will be applied to your outstanding balance. If you have an Amount Due, you must pay that amount by the Fee Payment Deadline, Tuesday, March 15, 2022 to avoid being dropped from your Spring Quarter Classes. For Financial Aid to fully disburse, you must be enrolled in a minimum of 12 units (waitlisted units do not count). Approved financial aid will disburse to your account on March 18, 2022 and Spring Quarter Refunds will be available for eligible students on March 28, 2022. For Graduate Students ONLY, you have two important deadlines. If you have a balance due for Winter 2022 tuition and fees, you need to pay that balance by this Thursday, February 24, 2022. Failure to pay your total balance due will cause you to have your Spring 2022 quarter registration canceled and the \$110 late registration fee will be applied to your account. Your Spring Final Fee Payment Deadline is May 19, 2022.

Student fees are subject to Gubernatorial, Legislative, and Regental action. By paying fees, students acknowledge and agree they may be charged additional fees with respect to their enrollment for the academic year at UC Davis. They further acknowledge and agree that, if a fee increase is announced, they may withdraw from UCD without monetary penalty within twenty (20) days of that announcement. Charges for student contributions in support of student government programs, activities, or registered campus organizations that appear on this bill do not constitute sponsorship or endorsement by the Regents of the University of California.

Some or all instruction for all or part of the Academic Year may be delivered remotely. Tuition and fees have been set regardless of the method of instruction and will not be refunded in the event of instruction occurs remotely for any part of the Academic Year. Figures for tuition and fees represent currently approved or proposed amounts and may not be final. Actual tuition and fees are subject to change by the University of California as determined to be necessary or appropriate. Final approved tuition and fee levels may differ from the amounts presented.
