Important Information

Winter 2022 tuition and fees have been assessed, and all authorized financial aid for the term should be credited to your UC Davis account. This appears as Estimated Aid on your statement and will be applied to your outstanding balance. If you have an Amount Due, you must pay that amount by the Fee Payment Deadline, Wednesday, December 15, 2021 to avoid being dropped from your Winter Quarter Classes. For Financial Aid to fully disburse, you must be enrolled in a minimum of 12 units (waitlisted units do not count). For Graduate Students ONLY, your Final Fee Payment Deadline is February 24, 2022. Any Graduate Student with a balance after February 24, 2022 will be cancelled from their future term. All registered classes for the future term will be dropped for non-payment and a late registration fee will be assessed. For students mailing a payment, please note the new payment address in the statement. All other payment methods remain unchanged.
